2010 INTERNSHIP APPLICATION

It is with great excitement that we open enrolments to the first year of our Lifepace Internship.

The purpose of this internship is to train you in ministry, and to develop your character.

Our approach is to blend two essential elements of training: formal education and practical apprenticeship.

We have also added an extremely unique and innovative piece to the internship. We will be hearing from world class leaders from around the country and the United States via Skype. This technology enables us to hear live in real time from some amazing pastors.

The theme for our internship is “Descending into Greatness” because we know it is through hands on serving that you will in fact grow and develop into your potential.

At Lifepace we have a dream to raise up incredible men and women who know how to be pillars in the House of God.

This internship will stretch you and grow you. I want you to seriously consider giving a year of your life to God.

2010: Build yourself. Build the church.
